Shahid Niazi Technical Services L.L.C

Shahid Niazi Technical Services LLC is professionally managed Services and Maintenance Company based in U.A.E.

Shahid Niazi Technical Services LLC established in 2019 with the vision to serve and the zeal to achieve a good position in the high-profile market in the U.A.E.

Started as a Contractor, SN gained the expertise to install and maintain the most complicated mechanical systems throughout the Middle East. Today, SN has the technical capacity and expertise to manage the most challenging facilities in the U.A.E.

We have dedicated efficient, qualified and well-experienced team of engineers, supervisors, technician and skilled workers with adequate transportation and communication facilities. Training programs are periodically arranged for the technical team to create an awareness of the latest technologies in the market.

We ensure that each client receives professional advice, appropriate design, quality workmanship and reliable after sales services. Our clients have recognized our expertise and abilities to complete the projects in time with their utmost satisfaction which can be seen from the recurring orders that we are receiving from our valuable customers.

Our Vision

We believe in creating equal opportunities for employment and investment by way of establishing this public limited enterprise. As a team we volunteer for the greener environment. Our charitable initiatives are aimed at giving back to the society.

Our Mission

Our mission is to provide quality service in a timely and cost-effective manner by maintaining regular contact with our consultants and clients. Through our expert technical personnel and associates, we contribution to the community by offering the highest quality facility management. We aim to grow our business and become our clients' reliable one-stop resource for quality services and equipment.

Our employees are well-trained, proactive and motivated working in a relaxed environment with opportunities for personal growth

Values

Team-work, Excellence, Transparency, Compassion, Honesty, Empowerment, Discipline and Enterprise ownership.

Culture

We have a culture of openness that permeates all our organizations. This transparency combined with our passion for excellence, empowers us to deliver superior products and services to our customers.
